

## Effect of a 10-unit increase in PM10 along lags

# Overall effect of PM10 over 15 days of lag

## Effect of a 10-unit increase in ozone along lags

# Overall effect of ozone over 5 days of lag

3D graph of ozone effect

**Contour graph of ozone effect**

**RR**

# Effect of temperature along lags for a unit increase above the high threshold

# Effect of temperature along lags for a unit increase below the low threshold

# Overall effect of ozone over 5 days of lag

3D graph of temperature effect

**Contour graph of temperature effect**

# Overall effect of temperature over 30 days of lag
